Brevard Workforce contracted with Brandt Ronat over one year ago to provide marketing and outreach services and products in accordance with our mission to serve the Brevard County workforce, including businesses and job seekers.

Brandt Ronat has become an invaluable and relied upon addition to our team, supplying creative development for advertising, web site development, public relations and advocacy with local media to achieve our objectives. One of the most critical talents and services they provided was their willingness to quickly adapt to our industry by becoming experts in a complex subject matter, thus allowing us to hit the ground running with an aggressive awareness campaign to multiple targeted audiences.

Brandt Ronat consistently displays and delivers sound strategic, creative development and project planning. Their solutions are always of the highest caliber delivering top quality design solutions on-time and within budget.

One greatly appreciated and relied upon service Brandt Ronat provides BW is to constantly scan our business environment making sure we are aware of breaking issues that may impact us and offering solutions before we ask.

Brandt Ronat has achieved an exceptional level of media savvy, and their ability to form partnerships that are original, and solutions oriented especially with various advertisers has benefitted Brevard Workforce by negotiating high value and prudent media buys.

Based on our experience Brevard Workforce is pleased to recommend Brand Ronat and Company.

Sincerely,

Joan Van Scyoc, Communications Director
