#### WINTER AN IDEAL TIME FOR COSMETIC PROCEDURES

For those who like to enjoy active summers, consider scheduling your cosmetic procedures during the colder Winter months. While all procedures can be performed in the wintertime, there are several which are especially advantageous to this season.

#### EXERCISE CAUTION WHEN SEEKING DEALS

The American Society of Plastic Surgeons just posted a press release warning consumers to beware of 'too good to be true' deals. Electing a non-invasive procedure in lieu of an invasive procedure can make sense if you are striving to stretch your dollars further. However, you should never cut costs by working with a non-board certified surgeon.

#### Practice Philosophy

Our team goal at the Lawler Centre for Cosmetic Surgery is to educate you about the expectations and realistic objectives attainable with plastic surgery; then strive to achieve those objectives in a soft, natural appearance that is in harmony with the patient's features. The entire team is committed to providing you with high standards of medical and surgical care combined with compassion and complete confidentiality.

Dr. Cory Lawler is certified by the American Board of Plastic Surgery and a diplomate of the American Society of Plastic Surgeons and The American Society for Aesthetic Plastic Surgery.
