Subject: From Brandt Ronat: a request

Bill:

As one of our valued business partners, I am contacting you today with a request.

Brandt Ronat & Company is currently in the process of replying to an RFP for advertising services in the Brevard County market. As one of our valued business associates, you know about Brandt Ronat & Company; and we would like to use you as a reference for our work.

To do so, we humbly request a brief quote from you about our company, which we can use in the proposal...about the contributions we make or have made to your organization or perhaps how our relationship works. We will appreciate anything you can provide from your experience with us.

If you are able to assist, a simple response to this email will be perfect.

Thank you in advance for your support.

Warmest regards,

Linda S. Brandt
