To Whom It May Concern:

I've had the privilege of building a relationship with Brandt Ronat + Co. over the past 10+ years. Over that time, I've used their services to support a wide range of initiatives and have always valued their input and results. I've found each employee associated with the firm to be ethical, experienced, talented and creative business professionals.

Finally, while working with Brandt Ronat, I've found their entrepreneurial spirit to be an excellent foundation for understanding what it takes in this economy to be a true value to businesses.

I'm delighted to offer this letter of reference. Please feel free to contact me directly if you wish to further discuss Brandt Ronat + Co.

Sincerely,

Tony Hernandez, III
